61 glance at british scene": vladimir golovin on chancellor
nigel lawson's commons statement to effect that there is turn
for better in british economy. however, he advanced several
proposals which annul this optimism. he proposed
higher taxation to offset increased govt spending; yet govt has been
cutting econ and social spending, and, according to 'labor
research' magazine, milit spending will grow by 30 percent btwn 1981
and 1984. bulk of funds is to be saved at expense of econ and
social spending. it is likely that proposed cuts will have
adverse effect on economy. (4.5 min: enguk 2000)

71 mailbag: replies to listeners on meaning of policy
of apartheid pursued by south african govt and on what world
thinks about state of affairs in south africa. explains

S. af

exploitation of black labor is part of aims of south african govt
and those foreign govts who are in accord with these aims.

Ruee as apartheid laws enable capitalists to reap huge profits; one
of reasons why usa is anxious to give support to racists is that
apartheid regime terrorizes and perpetrates harassment against ⁴
newly independent african states. ussr has no relations
with south africa and it wishes other countries to do same,
because lib movt in south africa can only succeed if there is coop
and unity against oppressors. (zulu 271800)
